## USERDETAILS PAGE:

The screenshot shows a web browser window with the address bar displaying 'userdetails.html' and the file path 'C:/Users/sweth/OneDrive/Documents/userdetails.html'. The browser has two tabs: 'userdetails.html' and 'How to Redirect from One page'. The main content area features a form titled 'user details' set against a background of various fresh vegetables like lettuce, tomatoes, and cucumbers. The form consists of six input fields arranged in two columns, each with a label above it: 'FULL NAME' (placeholder: 'Enter your name'), 'HEIGHT' (placeholder: 'Enter your Height'), 'WEIGHT' (placeholder: 'Enter your Weight'), 'BLOOD PRESSURE' (placeholder: 'Enter your B.P mmHg value'), 'DIABETICS' (placeholder: 'Enter your Diabetics mg/dl value'), and 'AGE' (placeholder: 'Enter your Age'). Below these fields is a wide, blue-to-purple gradient button labeled 'submit'. The Windows taskbar at the bottom shows the search bar, task view button, and several application icons, along with system information like temperature (26°C), time (23:32), and date (07-11-2022).
